

Project name: Dona Block

Location: 22 - 24, General Dona street, district 1, Bucharest

Destination: residential project

Apartments: 39

Project stage: finished

Dona Block is a 4 floors building, finalized on January 2008, with bright rooms and large balconies, situated close to Sala Palatului and Cismigiu Park, one of the oldest areas of Bucharest.

Dona Block is a rare and special city residence, built for the needs of today's lifestyle buyer with only 1 of 39 apartments available at this moment.

If you seek tranquility in the privacy home, yet need the pulse of a dynamic city, Dona is the perfect place for you.
